

## **Students within mobility programmes**

Sep 06, 2012

Students of Bachelor and Master Degrees at The Higher Polytechnic School of Mondragon Unibertsitatea will take part within mobility programmes during 2012/2013 academic course, in order to continue with their studies at European and American universities.

These students, who will be starting at foreign universities, will be taking a semester or a whole academic year.

We wish them good luck!
