

iCOOP, HANSHIN UNIVERSITY y GYUNGNAM UNIVERSITY(KOREA) visited Mondragon University.

Jun 10, 2013

A team of 7 delegates from iCOOP (federation of consumer co-operatives) <http://www.icoopkorea.coop/en/> , from the University of Hanshin <http://www.hs.ac.kr/eng/main.php> and Gyungnam University <http://en.kyungnam.ac.kr/main/> visited Mondragon University on 27th and 28th of May. These Korean delegates were trained on The Mondragon experience and cooperativism.

The course “Study tour on Mondragon and Cooperativism” was held at the Business Faculty of Mondragon University. Several professors from the faculty and researchers from MIK had the chance to share their knowledge with these Korean delegates. As part of this intensive program they were taken to visit some companies such as: The headquartes of Mondragon Corporation, Laboral Kutxa, Saiolan and Eroski.
