

## Turku University in Mondragon University

May 15, 2014

On 6 May the delegation from Turku University of Applied Science, comprising Juhani Soini (Vice rector), Tony Wahlroos (Director of Innovation), Jussi Puhakainen (Professor of TIC) and Jaana Kallio-Gerlander (Director of Academic Business and Leader of the Research Team) visited Mondragon University.

The aim of the visit was to analyse the various possibilities of cooperation between the universities in the scope of the Erasmus + programme.

Taking advantage of their visit, they had the chance to visit MONDRAGON Corporation to get to know the organisation in more depth, following which they met in the university with the Vice Rector, Jon Altuna.
