

Fakultateko asteroko albisteak, orain ingelesez ere bai

2014/10/22

Euskaraz eta gazteleraz ez ezik, orain ingelesez ere argitaratuko dira asteroko albisteak Humanitate eta Hezkuntza Zientzien Fakultateko webgunean. Albisteak ingelesez argitaratuta nahi da fakultatearen berri eman munduko bazter guztietan.

Asmoa da, astero-astero, gutxienez, albiste bat argitaratzea ingelesez. Zer kaleratu aukeratzeko orduan, kontuan hartuko dira fakultateak atzerriak dituen irakurle potentzialak, hala nola Erasmus eta masterretako ikasleak, irakasleak, ikerlariak, kolaboratzaileak eta, oro har, maila akademikoan, hezkuntza, lankidetzeta eta komunikazioarekin interesa duten guztiak.

Humanitate eta Hezkuntza Zientzien Fakultateko albisteak ingelesez: <http://www.mondragon.edu/en/huhezi>

NEWS

Oct 15, 2014 **Ungraduate students fro Leinn and Audiovisual communication work in collaboration with EITB**
On October 15, final year students of entrepreneurship and innovation at the Faculty of Business, and of Audiovisual Communication at the Faculty of Humanities and Education carried out a joint activity on the Arretxabaleta campus. The work session, called Birth Giving, started at 08:30 and was held in collaboration with EITB. In this session students endeavored to solve a case raised by the representatives of the Basque public radio and television.

Oct 13, 2014 **The Faculty of Humanities and Education will work with the Basque Government in the management of "Lehen Aukera" grants**
The Faculty of Humanities and Education, along with the other faculties of Mondragon University, are working with the Basque Government in the management of "Lehen Aukera" grants. These funds, managed by the Lanbide Basque Employment Service, aims to improve the employability of unemployed youth through work experience.

Sep 08, 2014 **Arrival of first group of Erasmus students for 2014-2015**
The first group of Erasmus students have just arrived at the Faculty of Humanities and Education for the academic year 2014-2015. In the first semester, there are nine students from Poland, Estonia, Turkey, Switzerland and the Netherlands, who will take part in the International Program organised by the Faculty of Humanities and Education.

Astero argitaratuko da albiste bat ingelesez
