

## International Seminar on Lifespace Learning in Huhezi

Nov 20, 2007

On the 19th and 20th of November a seminar entitled **Lifespace Learning** took place at the Faculty of Humanities and Education at Mondragon University. This seminar is related to the Lifelearn Project involving six European universities, including Mondragon, the aim of which is to incorporate the community and home as places of learning.

### Participants

Pili Sagasta, Monika Madinabeitia and Tañe Bikuña were the teachers representing HUHEZI at the seminar. The other five European participants were:

- Paivi Tynjalal, from Jyvaskyla University, Finland
- Eero, from Universidad Jyvaskyla, , Finland
- Ulle Kesly, from Universidad Tartu, , Estonia.
- Regina Krause, from Universidad Wismar, , Germany
- Malcom Allan, from Universidad Glasgow Caledonian, United Kingdom
