## International students

Mar 22, 2012

17 international students coming from Mexico (<u>Tec Monterrey</u>, <u>Tec</u> <u>Milenio</u> and <u>TESCo</u> Universities), Czech Republic (<u>Brno University of</u> <u>Technology</u>), Germany (Karlsruhe), Austria (Graz), Finland (Central Ostrobothnia), Poland (Bydgoszcz) and <u>UPC</u> and <u>UPV</u> from Spain have been recently welcome by the Faculty of Engineering. Those students, who are Bachelor, Master and PhD level students, will spend from 2 to 6 months of stay, carrying out a semester, projects or PhD stays.

The Bilateral Agreements that the Faculty of Engineering has signed with European and non European universities makes these mobilities possible.
