

Bilbao City Council hands over the Bilbao Ekintza premises to Mondragon Unibertsitatea

Jul 19, 2013

Bilbao City Council today handed over the keys of the premises used by Ekintza Bilbao on Uribitarte Street for the launch of the new innovation and entrepreneurship centre "MU-BBF Bilbao Berrikuntza Faktoria", promoted by Mondragon Unibertsitatea.

Today's event is part of the cooperation agreement signed last April between the city of Bilbao and Mondragon Unibertsitatea, which regulates the renewable transfer for ten years of the abovementioned premises, owned by the Council, for the implementation of the new international platform for creativity, innovation and advanced entrepreneurship.

The facilities have 5,900 square feet distributed over the ground, first and second floors of the building located at number 3 Nervion Street (entrance via Uribitarte, 6), which, from the next academic year, will hold the "MU-BBF Bilbao Berrikuntza Faktoria" centre.
