

## **ALMA COLLEGE ( MICHIGAN, USA) VISITED THE BUSINESS FACULTY and MIK on MAY 10th.**

Jun 07, 2013

A team of 14 students and three professors from Alma College visited the Business Faculty of MU last May 10th . The main objective of this visit is related to the program of the subject Field Study these students are taking in current semester. The In- Situ study of Cooperativism and its reality is part of the program. Edward Lawrence, Director of the Public Affairs institute of Alma College showed a great interest in Mondragon University. He had the opportunity to meet some researchers of MIK and see the possibility to collaborate in future projects. Enpresagintza and Alma College will hopefully sign a bilateral agreement to promote students, professors and researchers mobility. Please see more pictures here:
