

Wisconsin State Governor Walker visits Mondragon University

Apr 24, 2015

This encounter is aligned with the beginning, this Fall, of the students exchange with Marquette University that will include a semester internship in company in the Milwaukee area.

Several students from the Engineering Faculty have been nominated to do an exchange stay at Marquette University next academic year. The students will have one semester of courses and then a semester of internship in company. We will start receiving USA students in the academic course 2016-17.

Mr. Scott Walker, Governor of Wisconsin State, led a USA delegation that included Mr. Reed E. Hall, Secretary & CEO, Wisconsin Economic Development Corporation, Ms. Katy Sinnott, Vice President – International Business Development, Wisconsin Economic Development Corporation and Mr. Jim Paetsch, Vice President, M7/Choose Milwaukee.

Jim Paetsch is being a main actor in pushing the relations between Marquette and Mondragon Universities and he is backing the relation with the support of M7 and Choose Milwaukee Organizations.
